

Zucchero, Nothing to lose

I got nothing to lose but you
Baby
Ive fallen out of control
I got not nothing to lose but you
Save me
Its gonna change tomorrow, saying
I got nothing to lose but you
See me
Just walking a dog in your street
I got nothing to lose but you
Take me
And wipe away this sorrow
I got nothing to lose but now
Nothing to lose but you
I got nothing to lose girl
Nothing to lose but you
I got nothing to lose now
I got nothing to lose but you
I got nothing to lose
I got nothing to lose now
I got nothing to lose but you
Baby
Im praying can you hear me . . .
I got nothing to lose but you
Nothing
Nothing but you to remember . . .sweet
Everyday I will try to reach you
What can I do
If you sill live in my mind
I got nothing to lose but you
Tell me
Then I will not surrender
I got nothing to lose
. . . .
Could it be a bit of my lifetime
Shaking me Im a believer
It never really came to blows
Just think its over in no time
Maybe thats how love grows
Who knows
Love grows
