

Zwan, And So I Died Of A Broken Heart

If only I'd died
Just once in my life
If only to try
To take a guess
To be the best.
A feeling of hope,
That runs this world
It keeps us alive
I want you to climb with me

Until I die of a broken heart
Of a broken heart
Until I die of a broken heart
Of a broken heart
Until I die

The heart of the child
Is in your hands now
So let's see you smile
'Cause I'm not impressed with your loneliness
And it's been a while
Since you forgave all your changes made
So let's count the miles together

Until I die of a broken heart
Of a broken heart
Until I die of a broken heart
Of a broken heart
Until I die of a broken heart
A broken heart
Until I die

If only I'd die
Just once in my life
If only to try
Together

Until I die of a broken heart
A broken heart
Until I die of a broken heart
A broken heart
Until I die of a broken heart
A broken heart
Until I die
