

# ZZ Top, Buck Nekkid

Two shots shy of a 40 ounce quart  
A hand in the pocket and a hand in the shorts  
Shoot me with two and don't be slow  
Only got one good way to go

Get naked  
Buck naked  
Buck naked  
It's the only way to go

Twenty six chicks, all tied in a knot  
Ain't all good, but it's what we got

Get naked  
Buck naked  
Let me see you naked  
It's the only way to go

Buck buck

I was feelin' so fine  
And things were lookin' better  
My baby said maybe  
And I said I'd let her

Get naked  
Buck naked  
Let's get naked  
It's the only way to go

Get naked  
Everybody get naked  
Buck naked  
It's the onliest way to go

Get naked  
Get buck naked, yeah
