

ZZ Top, Just Got Back From Baby's

(Billy Gibbons, Bill Ham)

(spoken: douse that light...)

Now I just got back from baby's,
We been rollin' all night long.
I said I just got back from baby's,
We been rollin' all night long.
She come on likes and loves me,
But I feel like somethin' wrong.

Now, sometimes I go see baby,
And sometimes she come see me.
I said, sometimes I go see baby,
And sometimes baby come see me.
I got a funny, funny feelin'
I'm not the only man she sees.

Now, I just got back from baby's,
Big white house on the hill.
I said, I just got back from baby's,
Big white house on the hill.
If her lovin' don't get me,
I know her husband will.
