

ZZ Top, Made Into A Movie

Who would believe
After such a long time
I found her again
And that's not just another line
A last minute scene then another
If you hit your mark
I gotta tell ya brother
It should be made into a movie
But who would believe it
Should be made into a movie
Oh you just have to see it
I gotta' confess
I lost a measure of faith
But she held the power
Followed me place to place
First a rival, then a lover
If you can shoot it
I gotta tell ya' brother
It should be made into a movie
But who would believe it
Should be made into a movie
Oh you just got to see it
It should be made into a movie
Who in their right mind
Would spend hard earned money to see it
It should be made into a movie
What a scene, what a scene
It should be made into a movie
Who would believe
It should be made into a movie
I guess you just have to see it.
