

ZZ Top, Miller's Farm

now here comes sundown
and a Cadillac too
now here comes sundown
and a Cadillac too

the man was walkin on his girlfriend
longshot, it could have been you
now somewhere down on „Miller's Farm”
you're gonna have your day too

you been stayin' out late nights
you been going home alone
you been stayin' out late nights
you been going home alone

the man gonna get you
and gonna bring you to the farm
some day here down on „Miller's Farm”
you're gonna have your day too

every since I known for a long
long time
you can't be satisfied
if you don't watch out
what you're doing to yourself
my man gonna thke you for a ride
yeah!
