

ZZ Top, Sinpusher

I dropped out of society
Fell by the wayside so to speak
Quit my job I'm a lazy slob
Never lift a finger 'cept for my heart throb
I'm a sinpusher, hangin' on the on the dl...down low
Just a sinpusher, kinda like heaven or hell
I want a bit of everything
I'm wanted by the law
I just want a little bit
I guess I want it all
I'm a sinpusher, hangin' on the on the dl...down low
I'm just a sinpusher, kinda like heaven or hell
I like my big fat back
I like my ya ya thin
I like to push it down
Into the land of sin
I'm a sinpusher, hangin' on the on the dl...down low
I'm a sinpusher, kinda like heaven or hell
