

10,000 Maniacs, Daktari

[lyrics: Natalie Merchant & J.C. Lombardo/music: J.C. Lombardo]

like a weasel in the clover
you tilt toss pop turn over
sit down!
tremble and weave like a moth
by flame deceived
sit down!
spill with your words caught up
dance in your room
slide like you're buttered up
roll back the tomb
sit down!

bolt scuff jilt chase circle riddle
shake in haste
sit down!

when the thunderclouds sound
ants scatter to high ground
