10,000 Maniacs, Daktari

[lyrics: Natalie Merchant & D.C. Lombardo/music: J.C. Lombardo]

like a weasel in the clover you tilt toss pop turn over sit down! tremble and weave like a moth by flame deceived sit down! spill with your words caught up dance in your room slide like you're buttered up roll back the tomb sit down!

bolt scuff jilt chase circle riddle shake in haste sit down!

when the thunderclouds sound ants scatter to high ground
