

# 10,000 Maniacs, Girl On A Train

[ 10,000 Maniacs ]

Waking on a train dreaming, charmed alone they started speaking.  
Captured in his artist way before the memories fade away.  
To remember a face, and you're home or want to.  
Certain they would meet soon, paint a portrait of a family.  
Single light on, single way, single light away.  
The night fell.  
Saw a painting on the stairwell to mourn the passing of a daughter dear.  
Her soul upon the train so far so near.  
Just close your eyes and you're home.
