

1000 Generations, Fail Us Not

Failure doesn't phase you.
Worry doesn't win.
Lost doesn't leave you afraid to start again.
Our sin doesn't shock you.
Our shame doesn't shame you at all.
Mistakes do not move you.
Terror doesn't tame.
Death doesn't doom you to life in the grave.
Our suffering doesn't scare you.
Our secrets won't surprise you at all.
At all.
There is nothing above you.
There is nothing beyond you.
There is nothing that you can't do.
Whatever will come, we'll rise above.
You fail us not, You fail us not.
No matter the war, our hope is secure.
You fail us not, You fail us not.
You fail us not.
Hatred doesn't hide you.
Evil doesn't ail.
Despair can't disguise you and tell you that you fail.
Our doubt doesn't daunt you.
Our darkness won't defeat you at all.
At all.
There is nothing above you.
There is nothing beyond you.
There is nothing that you can't do.
Whatever will come, we'll rise above.
You fail us not, You fail us not.
No matter the war, our hope is secure.
You fail us not, You fail us not.
Whatever will come, we'll rise above.
You fail us not, You fail us not.
No, You fail us not.
You fail us not.
