

# 1000 Travels Of Jawaharlal, There Is Nothing

I feel boredom here, and I feel pain in my heart.  
But I can't decide what I should do and time passes.  
I think I will rot. I understand it. I understand it.  
However, I want to do somehow or other.  
Clearly, I do somehow or other.  
Right, I want to shake off this feeling of being blocked.  
I know what I should do. I don't look back and just start running.  
Hey a lot of things have started now.  
I know what I should do. I don't look back and just start running.
