

101, 101 Anthem

We are going to rule the land.
We cant be stopped.
We are the best.
We cant be defeated.

Going to win!(going to win)
We are number 1 (number 1)
Going to win!(going to win)
We are number 1(number 1)

We rock the mike.
We kick ass.
We are now idols.
We are loved by all.

Going to win!(going to win)
We are number 1 (number 1)
Going to win!(going to win)
We are number 1(number 1)

We get money.
We get girls.
We get bling-bling.
We have everything we want.

Going to win!(going to win)
We are number 1 (number 1)
Going to win!(going to win)
We are number 1(number 1)
