## 10CC, The Second Sitting For The Last Supper

Another fish head in the dustbin Another loser in the queue for the soup kitchen Another reason for a visit We think you'd better come down.

Another nigger on the woodpile Another honky on the dole Another trip from off the 15th floor The greatest story ever told Was so wrong, so wrong.

'Cos you promised milk and honey With an everlasting life And we listened with our ears closed And a blindness in our eyes But we heard them as they nailed you And we saw you crucified

The second coming of the Holy Ghost We need a pocketful of miracles Two thousand years and he ain't shown yet We kept his seat warm and the table set The second sitting for the Last Supper.

Another Guru in the money Another mantra in the mail An easy way from rags to riches God's little acre's up for sale.

The time is right for ressurection We think you'd better come down The church don't ring with hallelujahs You haven't been for so long So long, so long.

Two thousand years and he ain't come yet We kept his seat warm and the table set The second sitting for the Last Supper.
