

# 112, Can I Touch You

Can I touch you baby  
Come here baby, yeah  
Can I...

Can I touch you  
Make you feel so good  
I know you want me to  
So sweet my goodness, love so sexy  
Won't you come and talk to me  
Can I speak to you make you feel good  
I know you want me to so sweet  
Goodness, love so sexy  
Won't you walk over to me

In the middle of the night  
You walk into my room  
The streetlight silhouettes your face  
And all of me  
Consumes a special part of me  
There's a lonely part of you  
And in this we'll find happiness  
In a little thing called truth  
Can I

[1] - Can I touch you there  
Fingers through your hair  
Baby don't be scared  
Cuz I've got you  
Where you need to be  
Hold you tenderly  
Something you won't forget

[2] - Can I touch you  
Make you feel so good  
I know you want me to  
So sweet, my goodness love so sexy  
Won't you come and talk to me

[3] - Can I speak to you  
Make you feel good  
I know you want me to  
So sweet, goodness love so sexy  
Won't you walk over to me

All the time I spent  
Lookin' in your eyes  
I don't feel time is wasted  
I swear I am not lying  
Lying here just to take advantage of you  
Do you understand  
This is something I wanna do  
Can I...

[Repeat 2]  
[Repeat 3]  
[Repeat 2]

Come over here  
And take my hand  
Ooohh don't be afraid  
Oooohh, stand right here  
Can I...
