

# 112, Funny Feelings

Oh baby,  
Girl I, girl I,  
Got the funny feeling,  
Oh yeah, yes I do.

Everytime I try to kiss your lips, you turn away.  
And when I try to hold you near my heart you just tell me not today.  
Well the days, grow to weeks, and the weeks, just add on.  
And I try to be strong, but I feel like you dont love me,  
Anymore...

[Chorus:]  
Funny feelings,  
Funny feelings,  
That you don't love me anymore.  
Funny feelings,  
Funny feelings,  
That you don't love me anymore.

I find myself sitting by the phone,  
Waiting for it to ring.  
And Oh, my mailbox is always full,  
But from you I never recieve a thing.  
Well I try, to just go  
By the things that you say.  
But the things that you do,  
They just tell me that you dont love me,  
Anymore...

[Chorus]

Oh baby...  
Well I try,  
I try to just go,  
By the things, the things that you say.  
But the things the things that you do,  
They just tell me that you dont love me baby,  
Anymore...

[Chorus]
