[4x] Give it to me

Every time I think about  
The way you make me feel  
I get Excited, so excited

There are no words that can describe it  
Can describe it  
I cant hide this feeling I feel  
When Im close to you  
When Im close to you, When Im close to you  
Stop wasting time playing games  
Girl just give me all of you

Right now, right this way  
I just cant help  
But you keep my eyes on you I  
Girl I got to have it
