

112, This Is My Heart

[Chorus:]

Loving and kissing and holding you tight

Letting you know everything is all right

Do you love me

This is my heart

Loving and kissing and holding you tight

Letting you know everything is all right

Do you love me

Do you love me

We belong together

The love I feel is strong

And I wouldn't take the world for exchange for this feeling I have inside of me

And I can't lose this

Love that I have in my heart and baby

I know that you will never leave

This is my heart

[Chorus]

Our love keeps us together

Whenever we're apart

Our bond holds us close

We live in each other's hearts

And so I'll always feel whole

Somewhere I know I'll find someone

With some love to give

To one whose heart is fragile

But I'm willing to take a chance

This is my heart

[Chorus]

[Mike's monologue:]

My arms are open wide

You can't imagine how I feel inside

Welcome to this land, baby

Because I'm here to give my heart to you
