

112, Why Cant We Get Along

Verse 1

is it me..
who'll never compromise,
wanna see things thru my eyes..
which means it's my way

or is it you..
who's always shutting down,
never wanting to talk about,
the problems we got.

or is it we
to blame for all that's going down.
(we say that i love you but we can't work it out)
it's making us not want to stay around
we need to sit down and ask ourselves..

Chorus

Why can't we (Why can't we)
Why can't we get along..
when we know we can't be away from eachother for long
Why can't we
Why can't we get along..
when at the end of the day we know we gotta come home

Why can't we (Why can't we)
Why can't we get along..
when we know we can't be away from eachother for long
Why can't we
Why can't we get along..
when at the end of the day we know we gotta come home

Verse 2

tell me (tell me, tell me)
why can't i look at you,
and see your point of view
and take the backseat
is it true?
that i'm so unreasonable
and i don't know how to love,
even though God sent to me you.

or is it we to blame for all that's going down.
(we say that i love you but we can't work it out)
it's making us not want to stay around
we need to sit down and ask ourselves..

Chorus

Verse 3

i just can't sit and watch us,
go at eachother this way.
Cause you know like i know
we're better than this. (Girl u know we're better than this)
ooooo
Girl i've tried everything in a hopeless way
to be more than just your man
cause you deserve the best.
Together we're the best..
and we just can't throw it away.

Chorus

Bridge

i love you..(i love u) and i know you love me.(i know u love me, love me
oh why can't we get along..
when we both know that this is home.

Why can't we (Why can't we)
Why can't we get along..
when we know we can't be away from eachother for long
Why can't we
Why can't we get along..
when at the end of the day we know we gotta come home
