

12012, My Room Agony (English)

Mechanism conspirator you can never get a sleep.

Answer is break answer is fill

Get out of bed on the wrong side.

Death trap

Is striking heads so that their spraying blood dances not okay here either? A freak-seeking carnival

Hey, I'm right here, look over this way and don't turn away. My fatal wound is on the left side.

Bood.bood.with a vengeance Here's your cemetery.

Bood.bood.with a vengeance I'm gonna laugh, I'm gonna laugh.

Bood.bood.with a vengeance Here's your cemetery.

Bood.bood.with a vengeance three.two.one.breakdown!!

The children just revolve about in the sky against their will.

You dance and fall from the sky; it's time for our parting. Going on with your life, where will you be,

Am I the one who's gone crazy? Or is it all of you? In this town in which hearts dance

I love you; for your sake, I love you forever forever

Aaa, I can't return to here. aaa, will I live on alone?

This body of mine has rotted away, ended by that eternal love. You aren't with me. I lovingly remen

The countless stars laugh as they watch me, so lonesome. My mental state isn't bad more more

(Man's destiny is a miserable one.)

Surely it's farewell to this agony also. Goodbye mankind.

In this town in which hearts dance, more more more
