

1349, Buried By Time And Dust

[Mayhem cover]

Visions of that no mornings
light ever will come

I'm to old now

The dark is so near,

will I ever reach

the land beyond

This is where we go when we have to
die!

I've been old since the birth of time

Time buried me in earth

centuries ago, I tasted blood

Buried by time and dust

Many years has pasted since the funeral

Missing the blood of human throats

so many years, ages ago

I must await, feel my bodies

stench

Wanderings out of space

Wandering out of time

A world out of light, death at the end

Only silence can be heard, silence of peoples tears

No one knows my grave

Buried by time and dust
