

# 16 Horsepower, Nobody Cept' You

Nothin' 'round here to me that's sacred  
'Cept you, yeah you  
Nothin' 'round here to me that matters  
'Cept you, yeah you  
You're the one that reaches me  
You're the one that I admire  
Every time we meet together  
I feel like I'm on fire  
Nothin' matters to me  
And there is nothin' I desire  
'Cept you, yeah you  
Nothin' 'round here I care to try for  
'Cept you, yeah you  
Got nothin' here to live or die for  
'Cept you, yeah you  
As a kid I'd hear it  
In the churches all the time  
Make me feel so good inside  
So peaceful, so sublime  
Now nothin' does remind me  
Of that old familiar chime  
'Cept you, yeah you  
Used to run in the cemetery  
Dance and run and sing when I was a child  
And it never seemed strange  
Now I just pass mournfully by  
That place where the bones of life are piled  
I know something has changed  
I'm a stranger here and no one sees me  
'Cept you, yeah you  
Nothin' anymore seems to please me  
'Cept you, yeah you  
Your love hypnotizes me  
It holds me in its spell  
Everything runs by me  
Just like water from a well  
Everybody wants my attention  
Everybody's got something to sell  
'Cept you, yeah you  
I'm in love with you  
I'm in love with you
