

# 18 Over Par, No One Can See Your Face

How does it feel?  
To know that you won today.  
I wouldn't know,  
I haven't played your head games.  
The time has come,  
To quit being someone else.  
And open your eyes,  
To see you can be yourself.  
I don't ask much  
All I want is a little respect  
From you  
But you can't see  
Where I'm comin from here  
I don't expect you to  
But all I need,  
Is a little attention to  
Get out of here  
Chorus....  
You don't know what it's like to be,  
In my place,  
I wanna get out of here,  
But your in my way  
Now you know what it's like to be,  
In last place  
You want to stay inside,  
So no one can see your face.  
Another day gone,  
I have to see you again today at school,  
But that's okay,  
Cause I know your too cool,  
To talk to me,  
I think I'll just stay away.  
Before you tell me to,  
Get out of here  
Chorus.....
