

# 1st Lady, Always Wanna Be With You

Chorus: I dont ever wanna lose you baby  
I always wanna be with you  
All you gotta do is learn to trust me  
And I promise that I will stay true  
I dont ever wanna lose you baby  
Always wanna be with you  
All you gotta do is learn to trust me  
I promise that I will stay true  
I know that its been hard on you  
And I know that Im not always with you  
But you need to know that I do love you  
And forever thats the way it will stay  
And I know its hard to trust me  
When Im always out with all my boys  
Its my job and I will never be broken  
When I go home, its with you Ill stay  
I try too hard to keep this going  
And I will as long as you do too  
Plus I love you and I will always will do  
I only wanna be with you  
I wish I had a sign to show you  
You mean the world to me and thats the truth  
I dont wanna be with no one else, boy  
I only be with you

Chorus

I dont ever wanna lose you baby  
Always wanna be with you  
Do is learn to trust me  
I promise that I will stay true  
Trust me cause I love you  
I say I love you cause I really mean it  
I never felt this way before  
Look at pictures of me when Im gone, boy  
Ill be the one you breath  
Oh, wait youre the air I breath  
Inspiration, youre the song I sing  
I dont ever wanna lose you baby  
Always wanna be with you
