

2-4 Grooves, The writing on the wall

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
Gonna be your man in motion, all I need is a pair of wheels
Take me where the future's lying - St. Elmo's fire
St. Elmo's fire, St. Elmo's fire, St. Elmo's fire...

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
Gonna be your man in motion, all I need is a pair of wheels
Take me where the future's lying - St. Elmo's fire

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
I can climb the highest mountain, cross the wildest sea
I can feel St. Elmo's fire burning in me
But maybe sometime you feel the pain
But maybe sometime you feel the pain

In me

I can see a new horizon

I can see a new horizon

I can see a new horizon

I can see a new horizon

I can see a new horizon

I can see a new horizon

I can see a new horizon

I can see a new horizon

New horizon, new horizon, new horizon...

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
Gonna be your man in motion, all I need is a pair of wheels
Take me where the future's lying - St. Elmo's fire

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
Gonna be your man in motion, all I need is a pair of wheels
Take me where the future's lying - St. Elmo's fire

I can see a new horizon underneath the blazing sky
I'll be where the eagles flying higher and higher
I can climb the highest mountain, cross the wildest sea
I can feel St. Elmo's fire burning in me

You don't see the writing on the wall
