

2 Belgen, Lena

Recall the day, remember the place
Betraying a girl is easy or so I thought
Untamed you keep me hanging on
Bewitched the love I feel for Lena

Girl since you whispered your name
It just keeps hanging in my brain
I tried to ignore it for too many years
All those times it echoed in my head

Oh yo ho Lena (Lena Lena)
Feel this melody (Lena Lena)
Oh yo ho Lena (Lena Lena)
Hear that voice in me (Lena Lena)

The name of a girl, this name for a song
The song is hanging on the name of the girl
Only for you I have broken this chain
Oh, before I die, you will fix the man

Oh yo ho Lena (Lena Lena)
Feel this melody (Lena Lena)
Oh yo ho Lena (Lena Lena)
Hear that voice in me

Schne Alfenfee, zwei Sterren in der Nacht
Zwischen Bergen ber Strmen ich hre dein lachen
Umkranste Edelweiss, drei Blumen in das Feld
Du bist mein Kerker und mein Himmelreich

Oh yo ho Lena (Lena Lena)
Feel this melody
Oh yo ho Lena (Lena Lena)
Hear that voice in me

Recall the day, remember the place
Betraying a girl or so I thought
Untamed you keep me hanging on
Bewitched the love I feel for Lena Lena

Untamed you keep me hanging on
Bewitched the love I feel for Lena

Recall the day, remember the place
Betraying a girl or so I thought
Untamed you keep me hanging on
Bewitched the love I feel for Lena

Recall the day, remember the place
Betraying a girl or so I thought
Untamed you keep me hanging on
Bewitched the love I feel for Lena Lena

Oh yo ho Lena (Lena Lena)
Feel this melody (Lena Lena)
Oh yo ho Lena (Lena Lena)
Hear that voice in me
(Lena Lena, Lena Lena, Lena Lena)
(Lena Lena, Lena Lena, Lena Lena)
