

# 2 Chainz, Fork

[Intro]

Mama, MAMA!

(Wha, What!)

You get that money out my pants last night?

(Boy! Naw I ain't get no money out yo pants! And quit yellin' at me!!)

Ain't nobody hollin' at you!

[Hook]

I had a dream that rap wouldn't work

Woke up on the block, had to hit it with the fork

Skrrr, skrrr, skrrr, skrrr, skrrr: hit it with the fork

Skrrr, skrrr, skrrr, skrrr, skrrr: hit it with the fork

Rap don't work, records ain't bein' sold

So much money on me, it won't even fold (x5)

[Verse 1]

I got Medusa on my sneakers

My dick up like "nice to meet ya"

100K for a feature, hundred K's at my leisure

Then we aim at your people

I be higher than a eagle

When I'm sipping on that codeine

Free my nigga Sigel

Ridin' on a jet, headin' to that Costa

Soon as I land I be in that Testarossa

If I die tonight, you gon' see some flexin' ghostas

I'm the man in my city, same thing in South Dakota

And I'm running up that check, show you how I do it

I drink red bitches, I don't drink Red Bulls

Man they tried to give me wings, but I already had some

I'm all that and then some, my trap house is my income

[Hook]

[Verse 2]

I'm ballin' like Mr. Clean

I gotta keep my kitchen clean

God bless me like I'm finna sneeze

Doctor weigh me on a triple beam

D-boy in parenthesis

All gold in my Mr. T's

2 Chainz, two pinky rings

My trigger finger's like a lemon squeeze (Baow!)

Climax! Make your main ho my side-chick

I'm so high, your whore get hijacked

And my vision is Pyrex

I do it big like a 5X

Killed they ass with the eyepatch

I got bad bitches on my side

I done fucked around and got sidetracked

My first night, I spent five stacks

Next night I forgot to count

I'm so hot; who gon' put the fire out?

I'm the fireman, I put fire out

Got a pole in my basement

Tipped your girl like Malaya now

Ridin' on these motherfucka's until they blow my tires out

[Bridge]

My wrist deserve a shout-out, I'm like "What up, wrist?"

My stove deserve a shout-out, I'm like "What up, stove?"

All this jewelry on then I'm out cold

So much money on me, it won't even fold!

[Hook]
