Weed louder than a hearing aid

The only thing I might get is [?]
Tryna take another nigga's [?]
You a fuck nigga and I know it
See I could wear black in the summertime
And I could wear white when its snowin'
I could show you where to go like a local
Order 20 bags out of [?]
I might buy me a motorcycle
And use your girl for a chauffeur
I'm the realest nigga and the illest nigga
Fuck you lil nigga and your lil sister
Try to use a nigga when it's beneficial
Free all my niggas out the penitentiary
Louis V all on my leggings
Bitch better get on my level
Put a half a milli in a MCM bag
Had that motherfucker looking pregnant

See I could make her ass bend over
At the same time make her do the dishes
Oh oh oh double middle finger to the picture
Handgun got a [?] like Phippen

'Fore they leave this bitch they start strippin'
900 dollars for the tennis shoes
Get a lap dance in the living room

Money piled up on the counter
Got a hundred round drum in the [?]
Got Ziploc bags and a digital scale and rubberbands all by the [?]
Got raid spray you know how the bugs be
Got a fan in the window by the [?]
And I know it was slow at work tonight
