

2 Chainz, Neighbors Know My Name

6 in the morning, police at my door
Fresh red bottoms across the bathroom floor
Party last night with a couple of hoes
I had some niggas doin' molly and some bitches doin' coke

I bet the neighbors know my name, they call me "Oh fuck, oh shit" (Shit)
From my hotel suite, you see the ocean, ocean (Yeah)
Put her on the 42, I had her posin', posin' (Cheese)
I'ma leave the door unlocked in case her close friend walk in (Oh)

Oh, she a baddie, baddie (Baddie), and she got a fatty, fatty (Ooh)
And she call me Daddy, she don't even call her daddy "Daddy" (True)
You know I bought her a Cuban link and a bracelet that match it (Match it)
That's right, I'm rich and ratchet, she got a fat transfer, no plastic (Woo)
Whatever necessary, got more heart than February (Heart)
Maybach so big, it came with an office, where the secretary? (Where?)
I had that act up in my cup, same color elderberry (Mmm)
I'm known to hit the right spot, I know the neighbors hear it (Tony)

I bet the neighbors know my name, they call me "Oh fuck, oh shit" (Shit)
From my hotel suite, you see the ocean, ocean (Yeah, yeah)
Put her on the 42, I had her posin', posin' (Cheese)
I'ma leave the door unlocked in case her close friend walk in (Oh)
(Boom, boom)
