Can you see this woman
She`s relly delicious
If you look much deeper
You`ll see a big ambitious
Can you see this woman
She is quite preety
If you look much deeper
She`s a little freaky
Don`t even try to take her time
Just go away
Can you see this woman
She is quite preety
If you look much deeper
She`s a little freaky
She`s so sexy even
Look at her legs and brest
I want to have like this
But I`ve got only chest
Everybody knows
What we can fill with her
But no brain, no knowledge
Only appearances like Cher
Don`t even try to take her time
Just go away
This, this, this, this woman is problem for each man
Just, just, just, just burn her in your dirty head.
