

22-20s, 22 Days

for all of the times I tried to make you see
well I'm sorry, yeah I'm sorry
but I still don't understand who you expected me to be
but I'm sorry, yeah I'm sorry
well I'm sorry for you and I'm sorry for me

goodbye babe well I'm up off my knees
you're so easy to love and you're so hard to please

I'm not looking for acceptance
I'm not looking for a place
I'm not trying to impress you
I'm not looking for appraise
but I was looking for something
that I can deface

goodbye babe when you're blue tis so rare
you're so easy to love but there's nothing really there

twenty-two contries in twenty-two days
with you in my head, with you in my head
twenty-two nights, just trying to erase
every word that you said, every word that you said
but it still makes me sick I'm so easily in love

goodbye babe when it's hard to turn round
you're so easy to love and so hard to tie down
