

# 22 Pistepirkko, At The Everybody's

I said hey  
hey dude  
I've been seen, I gotta go  
I heard a flow, I heard a flow  
so: hey ho, hey ho  
I've been seen, I heard a scream  
I feel the sea, a wild thing  
hey silly, I got a fork  
I feel love, I feel alone  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water  
I've been praised on the phone  
I see love, I hear a hole  
I hear a tone, I gotta go  
yes I know, yes I know  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water  
Gimme some water
