

## 22 Pistepirkko, Tokyo Tiger

Hey hey hey mambo, you're the host of a haunted home  
Hey hey hey mambo, you ought to go. I don't want you here around  
Hey hey hey sister  
My my only sister  
I'm ready for the race  
Hey hey hey sister  
My my only sister  
I'm ready for the fade  
I can't hit you easy, I don't care what you do to him  
Hey hey wild Billy  
you're too old baby  
I don't miss you at all  
Hey hey wild Billy  
you ought to go  
yes with your sugar and coal  
Hey hey supertime  
with a strobelight  
my ears are broken in two  
why can't they hurt themselves oh no  
oh why I sold my soldier coat, I don't know, I don't know...
