

28 Days, Kid Indestructible

my style yeh i like to party down on a
thursday night and you know we do it right yeh yeh
mad wild going crazy with the crew yeh
we do what we want to and you know
when i hit the suds its a nightmare stand clear
doing what i feel is right if not who cares
not me evil like the devil dont you think?
waking in the morning thinking damn i shouldnt drink.
i kinda know yeh i know but i dont want to know
what i did when i was kid indestructible
i put the pieces together enough to know i fucked up
friday Im always paying through the nose
cause i choose to start the weekend early
and they say you shoulda seen yourself last night
then they laugh yeh you were in great form
the barman wont serve me but hes serving all the ladies
i want to jump the bar and send the bitch to Hades
so i pick up all his straws and
I throw them at his little pinhead
the bouncer saw me now Im dead
ah fuck Im dead
