

28 Days, This Songs About You

this songs about you
and all the shit you put me through
this songs about the thing
that drives me crazy
this songs about the things
that you do to that get to me

so I point my finger look at you?
understanding all too well
why I know you're weakness
I can notice your're reaction I felt it building up
why don't you just let it go feel it slip away
why don't you just let it f**ken go
