

2nd Chapter Of Acts, Christmas, Where Are You?

Christmas, where are you?
We've been waiting for your gift to come
Oh christmas, where are you?
The snow keeps hangin';
On and on and on and on

You never come, and it always snows
We can't take much more white snow

Oh christmas, where are you?
We need to see the spring again
Oh christmas, where are you?
The snow keeps hangin';
On and on and on and on

You never come, and it always snows
Only heaven knows where's the son?
