

2nd Chapter Of Acts, I've Heard The Stars Sing B

I've heard the stars sing before
I've heard angels sing before
And they always sing to you

They say when you were born
And when you die they mourned
Oh oh, they killed the lion

But he will rise and sin's disguise
Will be open for his body has been broken
To redeem us
So lay down your life and receive his and live

We sing to you
We bring out love to you
