

# 2nd Chapter Of Acts, Ocean Liner

Ocean ocean liner  
Is that you that I see  
Love boat love boat liners  
Tryin' to get a hold on me  
But I'm not goin'  
I'm not goin'  
To no island fantasy  
Oh dreamin' ocean liar  
I won't float on endlessly

Look out clouds here I come  
Look out stars I'm shining  
Look out fallen angel  
I'm learnin' how to pray  
An I'm flyin' no denyin'  
Jesus has taken  
The keys of death and hell  
Devil knows will  
That he has failed

Searchin' for tomorrow  
Won't wast my time today  
Countin' all my children  
Is a game I just won't play  
Guiding light is darkness  
I won't follow you no way

Look out clouds here I come  
Look out stars I'm shinin'  
Look out fallen angel  
I'm learnin' how to pray  
An I'm flyin' no denyin'  
Jesus has taken  
The keys of death and hell  
Devil knows well  
That he has failed

Look out clouds here I come  
Look out stars I'm shining'  
Look out fallen angel  
I'm learning' how to pray  
And I'm flying'  
And I'm flying' today  
And I'm learnin' to pray
