

2Pac, Last ones left

2Pac](Hook)

Nigga westside

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

[2pac]

Can't nobody stop us when we blunted up and swervin

Packed in a suburban, screamin outlaw runin on the curb

They never try me cause right behind me your killer team

I get a word cut the head off a nigga like a guillotine

This Hennessy'll keep me calm though

Sittin in the back of the club, tradin convo

Livin like a Don in my own mind

Signal Kadafi, nigga watch me with the chrome nine

All the time drinkin champagne

Walk through the crowd let the tramps hang

Niggas playa hate but do a damn thing

Picture me doin eighty down a one way

Stuck in the trunk, caught with gun play

So I gotta keep my eyes open

Gettin high, wonder why we gotta die smokin

My alibi, Vindictively

Victim of my environment I'm marked for death

Spendin my nights like its the last one left

I'm an outlaw

[Chorus]

Am I wrong, I wanna get it goin on

Last to leave, till I see everybodys gone

I'm at the bar you can catch me hands full of liquor

Puffin on a sweet swisher I'm the last one left

Tell me am I wrong, I wanna get it goin on

Last to leave until I see everybodys gone

I'm at the bar you can catch me hands full of liquor

Puffin on a sweet swisher, guess I'm the last one left

[Napoleon]

I got my back against the wall

Gat chillin by my balls

Prior to war is rider nigga only five six tall

Napoleon only knows on we outlaws fuck fear

better strap down to the feelins cause we out yeah

Thug passion all up in me

Feelin like I took some Henne

It aint easy I'm tryin to make a dollar out of two pennies

What we got with these rap niggas

Wanna pull they're gat niggas

Only got my side cause they think pac die nigga

Last niggas with our tape

Take a shot within our vest

Pac come and catch weight

Nigga we the last ones left

[2Pac]

If we woulda known the zone inside my own dome

Fresh outs jail it was hell but I'm finaly home

Lookin for niggas that was roofin that shit when I was locked back

Hands on the pump, makem jump when its cocked back

Fuckem all they're bitches inside a world of weak

Bitch niggas be afraid to speak

We the last ones left

[2Pac]

[Chorus] (slight change)

Tell me am I wrong, I wanna get it goin on
Last to leave, till I see everybodys gone
At the bar you can catch me hands full of liquor
Puffin on a sweet swisher Like I'm the last one left
Am I wrong, I wanna get it goin on
Last to leave till I see everybodys gone
At the bar you can catch me hands full of liquor
Puffin on a sweet swisher, last one left
Am I wrong, I wanna get it goin on
Last to leave till I see everybodys gone
At the bar you can catch me hands full of liquor (Yeah)
Puffin on a sweet swisher, I'm the last one left
[Kastro]
I eat and sleep the worst shit, cursed from birth
Me and my team super supreme putin in work
I'm passed out, drunk as a fuck, till it hurt
And I call earl screamin fuck the world
I got a bitch on the side wanna be my wife
And wify befin wanna know if she gonna see me tonight
And i know it aint right, but its the life I got
And thats until I see Yak
And thats until I see Pac
Young know I lost control somebody hold me down
And if the world was a girl I'd stick my dick in the ground
Fuck the world
