2Pac, Unconditional Love

(What y'all want?)
Unconditional Love (no doubt)
Talking bout the stuff that don't wear off
It don't fade
It'll last for all these crazy days
These crazy nights
Whether you wrong or you right
I'm a still love you
Still feel you
Still there for you
No matter what (hehe)
You will always be in my heart
With unconditional love

[Verse One:]

Come listen to my truest thoughts, my truest feelings All my peers doing years beyond drug dealing How many caskets can we witness Before we see it's hard to live This life without God, so we must ask forgiveness Ask mama I got this urge to die Witness the tears falling free from my eyes Before she could reply Though we were born without a silver spoon My broken down TV, show cartoons in my living room (hey) One day I hope to make it A player in this game Mama don't cry, long as we try Maybe things change Perhaps it's just a fantasy A life where we don't need no welfare Shit with our whole family Maybe it's me that caused it The fighting and the hurting In my room crying cause I didn't want to be a burden Watch mama open up her arms to hug me And I ain't worried bout a damn thang, with uncondition love

[Chorus: 2x]

In this game the lesson's in your eyes to see Though things change, the future's still inside of me We must remember that tomorrow comes after the dark So you will always be in my heart, with unconditional love

[Verse Two:]

Just got the message you've been calling all week Been out here hustling on these streets, ain't had a chance to speak But you know, with you and me it's on G We could never be enemies, cause you been such a good friend to me Where would I be without my dogs No wonder why when times get hard Cause it ain't easy being who we are Driven by my ambitions, desire higher positions So I proceed to make Gs, eternally in my mission Is to be more than just a rap musician The elevation of today's generation If could make 'em listen Prison ain't what we need, no longer stuck in greed Time to play and strategize, my family's gotta eat When we make somethin out of nothing No pleasure in the suffering, neighborhood would be good

If they could cut out all the busting
The liquor and the weed the cussing
Sending love out to my block
The struggle never stops (unconditional love)

[Chorus]

[Verse Three:]

I'll probably never understand ya ways With everyday I swear I hear ya Trying to change your ways while gettin paid at the same time Just had a baby with the same eyes Something inside, please let me die these are strange times How come I never made it Maybe it's the way the played it in my heart I knew one day I gotta be a star My hopes and all my wishes So many vivid pictures, and all the currency I'll never even get to see This fast life soon shatters Cause after all the lights and screams Nothing but my dreams matter Hoping for better days Maybe a peaceful night, baby don't cry Cause everythang gonna be alright Just lay your head on my shoulder Don't worry bout a thang baby Girl I'm a soldier (huh) Never treated me bad, no matter who I was You still came with that, unconditional love

[Chorus 3x until fade]
