

# 2Pac, Words Of Wisdom

Killing us one by one  
In one way or another  
American will find a way to eliminate the problem  
One by one  
The problem is  
the troubles in the black youth of the ghettos  
And one by one  
we are being wiped off the face of this earth  
At an extremely alarming rate  
And even more alarming is the fact  
that we are not fighting back  
Brothers, sistas, niggas  
When I say niggas it is not the nigga we are grown to fear  
It is not the nigga we say as if it has no meaning  
But to me  
It means Never Ignorant Getting Goals Accomplished, nigga  
Niggas what are we going to do  
Walk blind into a line or fight  
Fight and die if we must like niggas

This is for the masses the lower classes  
The ones you left out, jobs were givin', better livin'  
But we were kept out  
Made to feel inferior, but we're the superior  
Break the chains in our brains that made us fear yah  
Pledge a legiance to a flag that neglects us  
Honour a man that who refuses to respect us  
Emancipation, proclamation, Please!  
Nigga just said that to save the nation  
These are lies that we all accepted  
Say no to drugs but the governments' keep it  
Running through our community, killing the unity  
The war on drugs is a war on you and me  
And yet they say this is the Home of The Free  
But if you ask me its all about hypocrisy  
The constitution, Yo, it don't apply to me  
Lady Liberty still the bitch lied to me  
Steady strong nobody's gonna like what I pumpin'  
But its wrong to keeping someone from learning something  
So get up, its time to start nation building  
I'm fed up, we gotta start teaching Chaldean  
That they can be all that they wanna to be  
There's much more to life than just poverty

This is definitely ahhh words of wisdom  
AMERIKA, AMERIKA, AMERIKKA  
I charge you with the crime of rape, murder, and assault  
For suppressing and punishing my people  
I charge you with robbery for robbing me of my history  
I charge you with false imprisonment for keeping me  
Trapped in the projects  
And the jury finds you guilty on all accounts  
And you are to serve the consequences of your evil schemes  
Prosecutor do you have any more evidence

Words of Wisdom  
They shine upon the strength of an nation  
Conquer the enemy on with education  
Protect thy self, reach with what you wanna do  
Know thy self, teach what we been through  
On with the knowledge of the place, then  
No one will ever oppress this race again  
No Malcolm X in my history text  
Why is that?

Cause he tried to educate and liberate all blacks  
Why is Martin Luther King in my book each week?  
He told blacks, if they get smacked, turn the other cheek  
I don't get it, so many questions went through my mind  
I get sweated, They act as if asking questions is a crime  
But forget it, one day I'm gonna prove them wrong  
Now every brother had to smother on the welfare line  
The American dream, though it seems it attainable  
They're pulling your sleeve, don't believe  
Cause it will strangle yah  
Pulling the life of your brain, I can't explain  
Beg as you can obtain from which you came  
Swear that your mother is living in equality  
Forgetting your brother that's living her apology  
Thought they had us beat when they took our kids  
But the battle ain't over till the black man sings  
Words of Wisdom  
But the battle ain't over till the black man sings  
Words of Wisdom

NIGHTMARE thats what I am  
America's nightmare  
I am what you made me  
The hate and evil that you gave me  
I shine of a reminder of what you have done to my people  
for Four hundred plus years  
You should be scared  
You should be running  
You should be trying to silence me  
ha ha  
But you can not escape fate  
Well it is my turn to come  
Just as you rose you shall fall
