

# 3 Days Grace, I Hate Everything About You

Every time we lie awake  
After every hit we take  
Every feeling that I get  
But I haven't missed you yet  
{Turns to harder rock}  
Every room they kept awake  
By every science scream we make  
All the feelings that I get  
But I still don't miss you yet  
Only when I start to think about it...  
{Hard rock chorus}  
I...hate everything about you  
Why...do I love you?  
I...hate everything about you  
Why...do I love you?  
{Rock gets a little softer}  
Every time we lie awake  
After every hit we take  
Every feeling that I get  
But I haven't missed you yet  
Only when I start to think about it...  
{Chorus}  
Only...when I...start to think...about you...I know  
Only when you...start to think...about me  
Do you know...  
{Hard rock chorus}  
I...hate everything about you  
Why...do I love you?  
You...hate everything about me  
Why...do you love me?  
I...hate...you...hate  
I...hate...you love me  
I...hate everything about you  
Why...do I love you?
