

# 3 Doors Down, Away From The Sun (acoustic)

It's down to this  
I've got to make this life make sense  
Can anyone tell what I've done  
I missed the life  
I missed the colors of the world  
Can anyone tell where I am

'Cause now again I've found myself  
So far down, away from the sun  
That shines into the darkest place  
I'm so far down, away from the sun again  
Away from the sun again

I'm over this  
I'm tired of living in the dark  
Can anyone see me down here  
The feeling's gone  
There's nothing left to lift me up  
Back into the world I've known

'Cause now again I've found myself  
So far down, away from the sun  
That shines into the darkest place  
I'm so far down, away from the sun  
That shines to light the way for me  
To find my way back into the arms  
That care about the ones like me  
I'm so far down, away from the sun again

It's down to this  
I've got to make this life make sense  
And now I can't tell what I've done

And now again I've found myself  
So far down, away from the sun  
That shines to light the way for me

'Cause now again I've found myself  
So far down, away from the sun  
That shines into the darkest place  
I'm so far down, away from the sun  
That shines to light the way for me  
To find my way back into the arms  
That care about the ones like me  
I'm so far down, away from the sun again
