

3 Doors Down, Duck And Run

To this world Im unimportant
Just because I have nothing to give
So you call this your free country
Tell me why it cost so much to live
Tell me why
This world can turn me down
But I wont turn away, oh no
I wont turn around
All my work and endless measures
Never seem to get me very far
Walk a mile just to move an inch
Now even though Im trying so damn hard
Im trying so hard
This world can turn me down but I
Wont turn away
And I wont duck and run, cause
Im not built that way
When everything is gone there is
Nothing there to fear
This world cannot bring me down
No cause Im already here, oh no!
I am already here,
Down on my knees
I am already here, oh no, I am
Already here
I must have told you a thousand times,
I am not running away
I wont duck and run
I wont duck and run
I wont duck and run
No pass away
This world can turn me down but I
Wont turn away
And I wont duck and run, cause
Im not built that way
When everything is gone
There is nothing there to fear
This world cannot bring me down
No cause Im already here
This world can turn me down
But I wont turn away
And I wont duck away
Cause Im not built that way
When everything is gone there
Is nothing there to fear
This world cannot bring me down
No cause Im already here
