

# 3 Doors Down, Every Time You Go

I savor every minute that you're here  
That you're here with me  
Close my eyes and remember every breath  
Every memory

Through all these sleepless nights alone  
I still feel you  
Across these miles away from home  
That I'll never get used to

Every time you go, you take a part of me  
A part of me with you  
Every time you go  
I feel it in my soul  
Every, every  
Every time you go, I'm half what I used to be,  
When you were in my arms  
Every time you go  
You take a part of me, a part of me with you  
Every time you go

I count the days until you're back again  
Back here by my side  
When we're apart it feels like, something in me  
Something in me dies

I hear your voice over the phone  
And God I miss you  
Still all these miles away from home  
That I'll never get used to

Every time you go, you take a part of me  
A part of me with you  
Every time you go  
I feel it in my soul  
Every, every  
Every time you go, I'm half what I used to be,  
When you were in my arms  
Every time you go  
You take a part of me, a part of me with you

Oh I'm there with you in your heart  
No matter how far apart we are,  
When you're with me, everywhere you go

Every time you go, you take a part of me  
A part of me with you  
Every time you go  
I feel it in my soul

Every time you go, you take a part of me  
A part of me with you  
Every time you go  
I feel it in my soul  
Every, every  
Every time you go, I'm half what I used to be,  
When you were in my arms  
Every time you go  
You take a part of me, a part of me with you

Every time you go

Every, every  
Every time you go, I'm half what I used to be,

You were in my arms  
Every time you go  
You take a part of me, a part of me with you
