

3 Feet Smaller, Completely Different

Every singel day i think about the times we had .
We shared so much pain, but we never felt the same
We're so completely different, we're so completely wrong
Our releationship is dead, and now you sleep with my best friends .
There is something wrong, deep inside my heart . I don't wanna stay, one more day
on this fucking planet, cuz your not here with me , and i ignore the things is see
I hated you, but now i do , hope that you come back cuz i know you feel inside the same as i .
The day you say'd that you don't want to see me again . Somehow i felt good, but that's not the wa
The person that i saw in you never told me that I'm just your, stupid toy I never felt this way before
I don't wanna stay, one more day cuz your not here with me and i ignore the things i see .
I hated you, but now i miss you and i know you feel inside the same as i do.
