

3 Inches Of Blood, Deadly Sinners

Don't walk the cold and ruthless streets
They drain the life from all they meet
The servants crying underground
Smelling mortal blood like hounds
As you crawl the sewer pipes
Deadly sinners set to strike
As you walk around the bend
You'll be dead right there where you stand

Flash of iron, leather, spikes, and swords
Mighty warriors with metal on their side
Enemies of metal, your death is our reward
Triumphant victory when you bring the steel to life

[x2]
Deadly sinners
Victory
Deadly sinners
when you bring
Deadly sinners
the steel to life

Kill the tyrant's endless conquest
With no mercy, straight for his heart
Bloodlust will overtake anger and violence
With no mercy, lightning strikes in the dark
Lightning strikes
THE DARK!!!
RULING THE NIGHT!
WINNING THE FIGHT!
TAKING IT ALL! Right Now
Deadly, deadly sinners,
Through the night!

Flash of iron, leather, spikes and swords
Those mighty warriors with metal on their side
Enemies of metal, your death is our reward
Triumphant victory when you bring the steel to life

[x2]
Deadly sinners
Victory
Deadly sinners
when you bring
Deadly sinners
the steel to life

Ruling the night, winning the fight
Taking it all right to the end
Winning the night, ruling the fight
Take one last step before you die
