30 Seconds to Mars, Kill

What if I wanted to break Laugh it all off in your face What would you do? What if I fell to the floor? Couldnt take this anymore What would you do, do, do? Come break me down Bury me, bury me I am finished with you What if I wanted to fight Beg for the rest of my life What would you do? (do, do) You say you wanted more What are you waiting for? Im not running from you Come break me down Bury me, bury me I am finished with you Look in my eyes Youre killing me, killing me All I wanted was you I tried to be someone else But nothing seemed to change I know now, this is who I really am inside Finally found myself Fighting for a chance I know now, this is who I really am Come break me down Bury me, bury me I am finished with you, you, you Look in my eyes Youre killing me, killing me All I wanted was you Come break me down Break me down Break me down What if I wanted to break?
