

# 30 Seconds to Mars, The Mission

I open up my head  
Inside I find another person's mind  
I'm gonna take this chance I've got  
I run denying as we speak  
Hiding my face among the weak  
Some say their day is all away  
Into the wild  
I'm with a mission  
Over the hill  
Come here with me

Into the wild  
Into the wild

High above the serpentine  
I cross below the well-worn lines  
Entangled in a missing memory  
I find an oversight  
I formed this sword that will give rise  
To something the world is here to seize

Into the wild  
Into the wild

Into the wild  
I'm with a mission  
Over the hill  
Come here with me

Into the wild  
I'm with a mission  
Over the hill  
Come here with me
