

# 30 Seconds to Mars, Welcome To The Universe

And so the time has come, it's here  
The silence ends, change is near  
You wait in the palid slivered sky  
Come into the pantheon

Welcome to the universe  
Welcome to the universe

If there's a past into the clear  
We better take the pace  
Erase this face  
In constant search for everything

You wait in the palid slivered sky  
Come into the pantheon

Welcome to the universe  
Welcome to the universe  
Welcome to the universe  
Welcome to the universe

A new day has begun
